Memorandum

Date: September 1, 2015

To: Honorable Chairman Jean Moneasime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Ordinance Amending Code to Locally Adopt the Spirit Underlying the Principles of the Convention on the Elimination of all Forms of Discrimination Against Women Authorizing the Commission Auditor to Gather Data Regarding Economic Development, Health and Safety, and Education of Women in the County; and Authorizing the County's Commission for Women to Analyze Such Data and to Report to the Board

The proposed ordinance amends Article XXXI and Sections 2-477 and 2-269 of the Code of Miami Dade County to include the spirit underlying the principle of Convention on the Elimination of all Forms of Discrimination Against Women (CEDAW). It would authorize the Commission Auditor to gather gender equity data in the areas of economic development, health and safety, and education and report such data to the Board of County Commissioners (Board). In addition, it would require the Commission for Women to analyze the data on an annual basis and provide recommendations to the Board.

Florida International University's Metropolitan Center provided a proposal of \$18,270 to gather the research data needed to prepare the required report(s). However, if it is the Board's desire to collect this research data with existing resources, current priorities within the Office of the Commission Auditor may be rearranged to accomplish this task. The analysis and preparation of the report(s) and recommendations will be absorbed by existing staff that currently provides support to the Commission for Women.
