2017 Gender Analysis of Commissions and Boards: Executive Summary

Overview
A 2008 City Charter Amendment passed by the voters of San Francisco enacted a city policy that membership of Commissions and Boards reflect the diversity of the population. As part of this measure, the Department on the Status of Women is required to conduct a biennial gender analysis of Commissions and Boards. Data was collected from 57 policy bodies with a total of 540 members primarily appointed by the Mayor and Board of Supervisors.
